

The Night Fairy

Alika N

"I'm the smile of a fairy

Giving your heart your tale

When no hope is in sight

I'm a part of you = deep inside

When you feel like love is gone

I will carry you

Life will go on

When you cry a tear

I will ban your fear

When you feel sad

Or you feel bad

And life drives you mad

I will soothe your soul

And feed your heart

Being the rainbow of hope

Behind your moonbow of love

Wherever you sleep

As long as you dream.”
